The Alumni

THE GENERAL ASSOCIATION

The object of this Association is the cultivation of social relations and the perpetuation of fellowship among the alumni and former students, the advancement of the interests and the extension of the influence of the College.

Membership in this Association is of three classes—graduate, associate, and honorary. To the first class are eligible all graduates; to the second class, all former students who have been in attendance at the College for two years; and to the third class, members of the faculty, former students not eligible as associates, and others, who by reason of exceptional devotion to the interests of the College may be elected by the Association to such membership. The active members of this Association pay to its treasurer an annual fee of one dollar or more for the maintenance of scholarships and for contingent expenses.

The officers for 1907-8 are:

President.....	David H. Jackson, '97
First Vice-President.....	Rena R. Oberne, '94
Second Vice-President.....	Fred'k. M. Skinner, '92
Secretary and Treasurer.....	Cornelius Betten, '00, Lake Forest

Alumni Day, 1908, will be Tuesday, June 16th.

The morning and afternoon will be devoted to class reunions, informal gatherings and old-time outdoor sports among Alumni teams.

In the evening the annual meeting and dinner of the Association will be held.

Three years ago saw the inception of a new movement in the Association, as a result of which an Alumni Fund has been created, open to class and individual contributions, to be paid in annual amounts, and to be devoted to two purposes, as follows:

I. Half of the contributions each year will go to the establishment of a permanent fund, the principal of which will be kept intact.

II. The second half will form a current fund and will be used to satisfy needs which the general funds of the

College cannot supply. This fund has already permitted the Association to undertake several laudable enterprises in the interest of better undergraduate life, as well as materially to assist in the promotion of the Alumni-Trophy Room, which has become the repository of interesting and valuable Lake Forest memorabilia.

CHICAGO ALUMNI CLUB

This club is composed of men residing in or near Chicago, and consists of alumni and former students of the College. It is organized for the purpose of maintaining college affiliations, and of promoting a strong feeling of interest and devotion among former students of the College. Its standing committees aim to keep in close touch with the various undergraduate organizations. Meetings of the club are held in Chicago on the first Monday evening of each month; supper is served at 6:30 o'clock, and is followed by a business meeting and an informal social gathering. The club holds an annual dinner, usually in March, of a more formal character. The annual meeting for the election of officers is held in January.

The officers for 1908 are:

President.....R. H. Crozier, '93
Vice-President.....John F. Haas, '00
Secretary and Treasurer..John H. S. Lee, '95, 1st Nat'l Bk. Bldg.
Associate Secretary.....Geo. T. Rogers, '02, 205 La Salle St.

NEW YORK ALUMNI ASSOCIATION

This Association is composed of the graduates and former students of the College, Academy and Ferry Hall who reside in and about the City of New York.

Its object is to foster the Lake Forest fellowship and to extend the influence of Lake Forest.

At its dinners about fifty members gather.

The officers for the current year are:

President.....Theodore Starrett, '84
Secretary and Treasurer...Charles G. Smith, '95, 49 Wall Street

LOGANSPOUT ALUMNI CLUB

In loyalty to Lake Forest and with purposes akin to those of the Chicago and New York Alumni Clubs, the

graduates and former students residing in Logansport, Ind., have organized a very live Lake Forest Club.

President.....Percy H. Stevens, '06
Vice-President.....Arthur Dunn, '07
Secretary and Treasurer.....Helen McNitt, '06

An effort is made to put the Annual Catalogue in the hands of all former students. It is requested that the alumni send to the editor of the REGISTER, Professor W. R. Bridgman, any corrections or new information relating to those named in the following list, or to any former students. The College has now a record of nearly all its graduates and of many others who were not graduated, and this record will be constantly revised and extended as information comes in.

The Alumni Association especially solicits gifts of books, pamphlets, and literary and scientific papers by Lake Forest men and women, which may form the nucleus of a Graduates' Alcove in the College Library, as well as old copies of *The Stentor* or other publications, programs, pictures, cups, medals or other memorabilia of interest for deposit in the Alumni-Trophy Room.
